

Home instant discount invoice checklist

All instant discount applications must include a contractor invoice or proof of purchase receipt that includes:

- Contractor name, address and phone number
- Installation date
- Equipment/product manufacturer and model number
- Total cost of installation
- Proof of payment or payment terms (balance due of zero, financing terms or paid-in-full stamp)
- The full and correct rebate amount deducted from the purchase price, clearly labeled as an energySMART or Nicor Gas rebate

Other discounts or rebates unrelated to energySMART should be shown as a separate line item.

- Customer's signature and date of installation

If you cannot provide the customer with an invoice during the installation, please have the customer fill out and sign the section below, and submit this checklist with the rebate application and the final invoice.

Customer release of rebate to contractor

By providing my signature and installation date below, I confirm my contractor has provided me with the energySMART rebate as an instant discount off the purchase price. I authorize energySMART to provide the contractor with the rebate for the product(s) installed.
